

Case Study

CAST.

Cowell Academy of Stage and Television

Overview

“ Ever since training at Italia Conti and rehearsing in studios in and around London, my favourite studios and performance spaces to work in were all kitted out by Harlequin! I knew I had to have Harlequin supply and install the mirrors, barres and flooring in my own performing arts school. Even though Harlequin is a global company, it really does still feel like a family run business and they care about every order and studio no matter how big or small. ”

Sarah Cowell
CAST. Principal

Since 2019, CAST. in Morpeth, Northumberland, train 350 students a year in all aspects of performing arts including Tap, Ballet, Modern, Gymnastics, Singing, Acting for Camera, Radio, Commercials, Musical Theatre, Comedy and Shakespeare.

Case Study CAST.

Choice of product

Harlequin Fiesta -
oak effect

Harlequin Fiesta

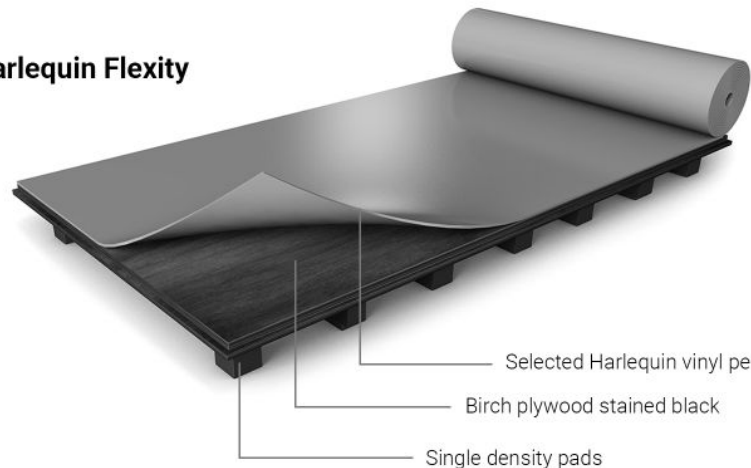

Harlequin Fiesta is a performance floor which looks exactly like a wood dance floor, but without the cleaning and maintenance problems associated with traditional wooden floors.

It is suitable for a wide range of dance styles including ballroom and percussive and for use in theatrical and operatic performances.

Harlequin Flexity

Harlequin Flexity is a cost-effective, self-install sprung floor panel system. 'Industry standard' choice for permanent or semi-permanent self-installation.

Harlequin Flexity

Selected Harlequin vinyl performance floor

Birch plywood stained black

Single density pads
